

The Busy Family's Guide to Healthy School Snacks

healthy snacks ideas on a budget

Suggestions for quick, easy, healthy and affordable snacks options, for the classroom or for home.

It's easy as 1...2...

1. SELECT an item from one group below
2. ADD an item from a different group

FRUITS/VEGETABLES

carrots, celery, cucumber, cherry tomatoes, bell pepper, mushrooms, broccoli, avocado, apples, bananas, oranges, pears, peaches, grapes, apricots, berries, plums, watermelon, pineapple, dried figs, dates, raisins, or other family favorites...

GRAINS

rice crackers, minibagels, english muffins, bread/biscuits, pita, pretzels, cheese crackers, sesame sticks, tortillas...

PROTEIN/DAIRY

dairy (cheese, plain yogurt, cream cheese)
eggs (hardboiled),
legumes (edamame, dried soynuts, hummus/chickpeas, dried peas, beans)
tofu, seeds...

Mixing different food groups combines nutrients, which creates longer lasting energy.

at home or at school... *fun snack ideas*

GRILLED CHEESE ANIMALS

I use a Easter Bunny cookie cutter and cut out two pieces of bread with it then a piece of cheese. I then make my kids Easter Bunny grilled cheese sandwiches. This works for any occasion you can find a cookie cutter for.

FROZEN FRUIT STIRRERS

String chunks of fruit, like strawberries, orange chunks, grapes, pineapple onto a cocktail straw and freeze them. At snack time put the straws in a glass of water for the children. The water is sweetened by the fruit and the fruit is their snack. Kids love it and they seem to drink more water this way.

BUTTERFLIES

Spread the cream cheese in the middle of the celery slices. Stick the twisted pretzels in the cream cheese to make the wings. Stick the pretzel sticks in the front of the celery make antenna. My kindergartners loved flying their "butterflies" around before landing them in their mouths!

GOING FISHING

Need Pretzel Rods, Goldfish, Peanut Butter

During our under the sea theme our kids made the usual fish, magnet and paper clip game. We extended this to snack by giving each child a pretzel rod, paper plate with a dab of peanut butter and handful of goldfish crackers. Have the children dip the rod in the bait (peanut butter) and fish for goldfish. When all the fish are gone, eat the rod and bait.

FROZEN BAN-OLA

1 medium sized banana – peeled, 1/2 cup crushed granola, plain yogurt

Dip banana in your choice of yogurt, Roll banana in crushed granola. Place in freezer bag and freeze. May be eaten without being frozen also!

HOMEMADE FRUIT JIGGLERS

2 cups fruit juice of your choice (100% Natural Fruit Juice Only!), 3 tsp powdered gelatin, 1/4 cup small cubed fruit of your choice. Place 1/4 cup of the juice in a cup; sprinkle gelatin over juice. Stand cup in a small pan of simmering water, stir until gelatin is dissolved. Stir gelatin mixture and fruits into remaining juice in a medium bowl or square/rectangular pan. Refrigerate until firm. Scoop into a cup or cut into shapes to serve. Let your Toddler help with the cutting of the shapes! Break out the cookie cutters and make this a Toddler activity!

The Busy Family's Guide to Healthy School Snacks

a quick glance at reading labels... HIDDEN SUGARS

Keep in mind, the sugars listed on the Nutrition Facts label include naturally occurring sugars (like those in fruit and milk) as well as those added to a food or drink. Check the ingredient list for specifics on added sugars.

From the USDA Center for Food Safety and Applied Nutrition (<http://www.cfsan.fda.gov/~dms/foodlab.html>)

Take a look at the Nutrition Facts label for the two yogurt examples. The plain yogurt on the left has 10g of sugars, while the fruit yogurt on the right has 44g of sugars in one serving.

Now look below at the ingredient lists for the two yogurts. Ingredients are listed in descending order of weight (from most to least). Note that no added sugars or sweeteners are in the list of ingredients for the plain yogurt, yet 10g of sugars were listed on the Nutrition Facts label. This is because there are no added sugars in plain yogurt, only naturally occurring sugars (lactose in the milk).

CORN SYRUP ALERT

This product contains more corn syrup than fruit juice.

Many researchers believe that high fructose corn syrup may interfere with your metabolism and increase fat storage on the body. Corn syrup is a sugar frequently found as a top ingredient in many of these seemingly healthy snacks

- Yogurt Squeezes
- Fruit Chews
- Juice-drinks
- Snack/granola bars
